On Sunday morning Rev. J. W. Two or three familiar, sacred songs were sung by some of the deaf-mutes in the silent language, which was a very interesting and impressive part of the services. The address of Rev. Dr. Fleming to the oung men at the Y. M. C. The speaker based his remarks upon the eighth verse of the first chapter of the Acts. All who listened to the address were well repaid for their attendance and to those of the audience who are living christian lives, the words of the speaker came as a message to strengthen and encourage them to persevere. The gospel meetings are held each Sunday afternoon in the new building at 4 p. m., and every man in the city, and especially young men, are invited to be
